### Parameters:

USB Specification Levels	≥ USB 2.0
Connector	RJ45 and USB class
Sampling	48KHz
Network Transmission	Dante IP Chinese Dante(AES67) RTP Audio
Background Noise	-90dBu
Dimensions (LxWxH)	652mm x 32mm x 22mm
Weight	0.2kg
Power Supply	USB

## S-TRACK® Dante 2 CH USB I/O Adapter (DU 22) Product

### Features:

- ★1. DU22 adopts USB power supply.
- ★2. It supports bidirectional channel signal transmission from USB signal input to Dante signal output, and Dante signal input to USB signal output.

## S-TRACK® Dante 2 CH USB I/O Adapter (DU 22)

### Applications:

S-TRACK® Dante 2 CH USB I/O Adapter (DU 22) is suitable for meeting room, exhibition hall, small activities, classroom interaction and other occasions.
